

I Ketut Krisna Kertajaya

Kota Tangerang, Indonesia • +62 813-1420-6253

ketutkrisnakertajaya@gmail.com • [linkedin.com/in/iketutkrisna/](https://www.linkedin.com/in/iketutkrisna/)

I am an undergraduate student majoring Informations System. I'm always in touch with Technology since i was young. Beside going to college, in night i always practice to code and learn new knowledge on Internet.

I'm always looking for better opportunity for self development, so i'm not afraid to try new things.
